Listagem de Peças – Suzuki Samurai anos 1986 a 1995

Essa é uma Listagem de todas as Peças do Suzuki Samurai, cobrindo os modelos produzidos e exportados para os Estados Unidos, Canadá e México durante os anos de 1986 a 1995.

Algumas das peças aqui colocadas (principalmente as de acabamento) não são as mesmas dos modelos exportados para o Brasil. Porém - em sua grande maioria – são as mesmas peças, obedecendo ao mesmo número de catálogo.

A visualização das peças nesta Listagem obedece ao seguinte padrão:

<i>número na gravura</i>	<i>nome da peça</i>	<i>lado a ser colocada</i>	<i>número OEM</i>
4	Pillar, Inner Lock	R	63231-80152
		L	63631-80152

Notas

- Algumas peças não estão colocadas em gravuras e, em função disso, não recebem o primeiro número;
- Algumas peças são diferentes para cada modelo ou VIN. Quando isso ocorrer, haverá uma especificação;
- Quando a peça for única, não haverá qualquer discriminação de lado (R ou L);
- Algumas notações que foram colocadas abaixo de uma peça (ou grupo de peças) – geralmente precedidas por um # ou ¶ – são para orientar a concessionária ou mecânica que for adquiri-la. Decidi deixa-las aqui para nossa própria orientação.
